Team Contract

February 13, 2026

Project/Course: CMPT 276 D300, Phase 1
Team Name: Group 2
Team Members: Harman Bains, Nathaniel Chen, Jayden Pai, Komal Kaur, Maryna Almeida

The following are terms that team members agree to sign off and understand what is required to succeed for the project:

1. **Communication:**
   - Communications will be done through the platform called Discord.
2. **Meetings:**
   - A mandatory meeting will be held on Thursdays at 4:00–4:30 pm PST.
   - An optional meeting will be held on Mondays at 1:00–1:30 pm PST.
   - An optional meeting will be held on Wednesdays at 1:00–1:30 pm PST.
3. **Task Management:**
   - The work will be gathered in its totality and split up evenly among team members.
   - Members can work individually and can notify members if they encounter any issues.
4. **Ensuring Fair Work Distribution:**
   - The GitHub repository's graph will be checked regarding contributions to any branches.
   - Team members will collectively decide on what work to allow an even distribution.
5. **The Internal Deadlines:**
   - The plan is to allow at least a few days before the deadline for work to be completed.
   - The Thursday meeting will be a chance to check on team members' current work and discussion of internal deadlines.
6. **Issues of a Group Members Contributions:**
   - The team member will be given a warning if the rest of the group decides there is a lack of contribution.
   - If this continues, the work will be distributed to the other members.
   - This can lead to a grade down on the team members grade during peer evaluations.
7. **Issues of Missing an Internal/Final Deadline:**
   - A warning could be provided, and they may be reimbursed an additional day after the deadline.
   - This can lead to a grade down on the team members grade during peer evaluations.
   - This can be avoided through a reasonable excuse with proof for missing the deadline and the rest of the group will decide if the grade down consequence is necessary.
